Sturdy, all stainless steel Mayo Stands feature a heavy, weighted base to ensure unfailing balance and extraordinary stability. Choose our Regular, two-caster model with two extended support feet, or our Emergency model with three casters to allow you to move the Mayo Stand more quickly to where it is needed.

Both styles feature heli-arc welded polished joints for superior

strength and long lasting stability. The Type 304 stainless steel tray top offers plenty of space for supplies and removes easily for cleaning and sterilizing. Smooth-rolling casters make it easy to move our Mayo Stands throughout your facility.

Both models are offered in two tray top sizes in Foot-operated or Hand-operated styles to suit your needs.

Emergency, Foot-Operated Model

Regular, Hand-Operated Model

Foot-Operated Mayo Stands

Simply lift the tray up to the desired height from 38-in. to 61-in. (96.52cm to 154.94cm). It automatically locks in place. Then just depress the foot pedal to lower top when needed.
